Strathallan Prep School's Saturday Enrichment Programme for Years 3 & 4

At Strathallan Prep School, we believe learning doesn't stop at the classroom door—or the weekday. Our Saturday enrichment sessions for Year 3 and 4 pupils are designed to ignite curiosity, develop new skills, and nurture a sense of adventure and creativity. Delivered in two distinct blocks across the autumn term, this programme offers a fun, structured, and meaningful way for pupils to spend their Saturday mornings.

Programme Overview

There will be two exciting blocks running between September and December:

Block One: Strathallan Stars
6th September – 11th October
This drama and musical theatre is designed to help the pupils develop their acting and performance skills, empowering them to reach their full potential. Our aim is to build confidence, encourage both independence and teamwork, and, most importantly, ensure the pupils have fun on a Saturday morning.

Block Two: Eco Explorers
1st November – 13th December
This outdoor learning block is designed to extend learning beyond the classroom, fostering real-world connections through multisensory experiences. It offers opportunities for challenge and enquiry, with the goal of building confidence in—and a deeper appreciation for—the outdoors.
